Greetings from Greater Ohio Area SuperKids Classic!

On Saturday, May 31, 2025, the annual Greater Ohio Area SuperKids Classic race will take place at Derby Downs in Akron, OH. We would greatly appreciate your support as a sponsor for the 2025 race and hope that you will join us to provide children with disabilities (ages 7-18) the opportunity to experience the “thrill of the hill”.

Kids from all over Northeastern Ohio participated in the **2024** race, which was a great success thanks to sponsors like you who help us support the event – from Practice Day in advance when we test car weights and match our racers with co-pilots from the All American Soap-Box Derby, to Race Day itself which begins with our traditional opening parade down the Derby Downs hill and concludes when a first place Racer is declared. As you can imagine, there are many elements involved in making these activities happen such as outreach to families; adapting, inspecting and repairing cars; managing racer and co-pilot registrations; providing lunch on practice and race day for families and volunteers; coordinating the volunteers who devote thousands of hours each year to our race and other activities; and many other tasks involved in mapping out a safe and fun day for Racers and their families while at Derby Downs.

We invite you to join us to support the 2025 Race as a car sponsor. There are also a number of other ways to support the Race and other events we host for Racers and families throughout the year. Included in this packet you will find an overview of sponsorship opportunities and benefits, ideas for In-Kind donations that align with our programming needs, and information on how to reserve your special place as a 2025 sponsor!

Finally, please mark your calendars for these important race events:

- Saturday, May 31st – Race Day - Join us to cheer on our SuperKids racers.
- Sunday, June 1st – Family and Volunteer Picnic – Join us for a fun afternoon to celebrate racers and volunteers.
- Wednesday, June 11th - Banquet – Don't miss our awards banquet where trophies and special awards will be presented to racers, copilots, volunteers and sponsors.

Donations and car sponsorships for the 2025 race must be received/confirmed by April 30, 2025 to be included in print materials, however sponsorships and donations are accepted and acknowledged throughout the year. If you have any questions or would like to talk over sponsorship opportunities, please let us know!

Sincerely,

Greater Ohio Area SuperKids

Donation Secretary

Amanda Yost Becker

2025 SPONSOR OPPORTUNITIES

Race Day Champion Sponsor (\$1,500+) Champion sponsors rise to the top of our sponsors *as their level of contribution (monetary and/or in-kind) significantly supports Race day activities above and beyond car sponsorship. Any donation above \$300 receives car sponsor benefits.*

Car Sponsor (\$300+) Our cars are originally built from scratch and adapted by a dedicated team of volunteers to accommodate the special physical needs of our Racers (including allowing for two passengers - a racer, and a copilot from the All American Soap Box Derby). Car sponsors make it possible for us to maintain, repair and improve our derby cars to ensure the safety and enjoyment of our Racers.

SuperFriends (< \$300) Donations of all shapes and sizes make our race and other annual events possible. Any donation below \$300 receives SuperFriends benefits.

In-Kind Sponsorship There are many opportunities to support our programming throughout the year, such as providing products and services (such as lunch and beverages for racers and their families on Race day. Please see our [Donations Wish List](#) for ideas on how you support our Race and programming through In-Kind (non-cash) donations. In-Kind donations of any amount receive benefits equivalent to the value of their donation (unless requested to remain anonymous).
