

Greater Ohio Area SuperKids Classic, Inc. Donations Wishlist

Although monetary donations and sponsorships are preferred as they allow us to use your contribution to support the most needed elements of our Race and other programming, we welcome in-kind donations (products, supplies and services) to help us support our programming goals.

Food and Beverages: Two to three times a year we provide food (meals and snacks) and bottled water for approximately 100 people (kids and adults). If you or your business are interested in providing food service, bottled water, snacks or related supplies (plates, napkins, plastic utensils) for Race Day or other events, we would welcome the opportunity to talk with you about anticipated food/beverage needs and counts.

Printing: Our annual printing needs include Race Day and banquet programs as well as occasionally flyer and pamphlet printing for event outreach and special events. We also provide t-shirts for racers, co-pilots and volunteers each year. If you or your company would like to sponsor our modest printing needs (or a specific product production) please contact us for more information on timing and quantities.

Office Supplies: GOASKC does not have an office, but relies on volunteers and vendors for our administrative needs. Although we do strive for electronic/paper free operations, we do mail multiple communications to families of previous and potential racers to distribute racer registration packets, and information on other events during the year. We will gladly accept office supply donations such as: reams of printer paper; envelopes of varying sizes (from letter size to large mailers); mailing labels; and stamps.

Goodie Bag Inserts/Craft Items: When possible, we provide goodie bags and coordinate craft activities for kids (racers, siblings and friends) at our events. Types of goodie bag inserts and craft items we can use include: crayons, coloring books, construction paper, popsicle sticks, pencils, sidewalk chalk, and Elmer's glue. Types of snack items we can use include individually wrapped items easy for kids to manage. For our annual race (typically the first Saturday in June), we accept goodie bag items for boys and girls in quantities of 50. Contact us for more information on other goodie bag opportunities and deadlines.

Gift Cards: Throughout the year, we have varying purchasing needs such as administrative and food service supplies, items for repair and maintenance of our derby cars, and gifts for our Racers attending the annual Christmas Party. We welcome the donation of gift cards to area grocery stores and retail stores of any denomination to help support programming costs. Do you ever find yourself with a gift card for a store that is not in your area (or where you don't regularly shop?). We'll gladly accept any gift card and denomination! Even small gift cards go a long way - for example, a \$20 gift card to Five Below helps us help Santa buy gifts for 3-4 of our Racers at our Annual Christmas Party!

Volunteers: Last, but not least, we are always in need of volunteers to help us sustain safe, fun and high quality programming for our Racers and their families. Donating your time on Practice and Race Day helps us provide a fun and safe event for kids and their families. We welcome those interested in longer-term Committee or Board of Director opportunities. If you, your family, or co-workers are interested in volunteering we would love to talk with you about volunteer opportunities that help match your interests to our needs (and make sure everyone has fun in the process!).

Learn more and connect with us about donation and volunteer opportunities by visiting us at www.superkidsohio.org. All donations are tax deductible.
